

# COCHRANE HIGH SCHOOL

## Course/Timetable Change Request

The primary goal is to ensure all students have their required courses and a balanced timetable. If a student has a balanced schedule with the courses required, that is considered a **complete timetable**. **Teacher/friend requests are not processed.**

The following is the process for student timetable changes for the 2022-2023 school year:

1. Student timetables are posted on PowerSchool <https://ps.rockyview.ab.ca/public/home.html>. The master timetable will be posted on the CHS website ([cochrane.rockyview.ab.ca](https://cochrane.rockyview.ab.ca)) under the Guidance button.
2. **Before requesting a change to your timetable and booking your appointment, make sure you do the following:**
  - Check the master timetable (link above) to make certain the desired change IS possible
  - Complete the Planning Form, outlining a Plan A, Plan B and Plan C, which includes your requested change
  - Book an appointment with either Guidance Counsellor according to your grade, following the grade schedule below
  - Bring your completed Planning Form with you when attending your scheduled Guidance Appointment
