

**CHS Graduation 2022 - Communique #2**  
***Community ~ Character ~ Commitment***  
***Date TBD***

**Tuesday, December 7th, 2022**

Dear G12 Parents and Students,

**Student Graduation Committee**

In early November, an invitation was sent out to all G12 students to submit an application to be considered for our 2022 Grad Committee. In addition to submitting proof of an active [My Pass Account](#), students were asked to share ideas about possible theme(s) that reflect the uniqueness of our *Class of 2022*. They were also challenged to submit *one song* that would best represent this year's celebration. Submissions included *Break My Stride* (Matthew Wilder), *I'm Still Standing* (Sir Elton John); and *Don't Stop Believing* (Journey). Always interesting that song choice has no timeline. Congratulations *Grad Committee 2022!*

*Sammie Carlson ~ Emma Price ~ Sydnie Alcock ~ Aubrie Shapkin ~ Keisha Basi ~  
Kaitlyn Henry ~ Charlotte Wowk ~ Keelan Thorogood*

**Graduation Checklist**

*Are you on course to graduate?*

Every G12 student should be tracking their own progress via their [My Pass Account](#). Parents, please ask your student to show you their progress. G12 students - reduce your stress levels by checking credits and requirements!

**Attention ~ Ms. Laudel & Ms. Lyons will be touching base with students who may be *at risk*. Check your email!**

**LifeTouch Grad Photos**

LifeTouch photographers have set up shop in our Learning Commons! Memories are being captured! The LC will be closed from December 6 - 15. For students who missed this opportunity, grad photos can still be set up directly with [LifeTouch/Prestige](#) (click on link). We ask *all* G12 students to have their photo taken so they are in the Cochrane High Composite ~ Class of 2022. These group shots are proudly displayed down the halls of Cochrane High School.

**JACOR (NEW Provider)**

Grad gowns, stoles, and caps/tassels will be ordered soon! Each Graduate will receive an individual package with all contents - to KEEP. Student height measurements (feet' and inches") are being collected before final order is submitted.

**[CHS Grad Clothing 2022](#) (Online Store)**

Last year we opened an online clothing store for our graduates. It was well received. Based on feedback, we decided to continue with the online store - and expand it for families wanting to purchase items without the 'Class of 2022'. **DEADLINE for all orders is Friday, December 17th, 2021.**

**Grad Fees - Cash Online**

In the past, Grad Fees were set at the start of the year. This is no longer the case. Payment of \$50.00 is now due. Please visit our Cochrane High website to access [School Cash Online](#). Please contact Patti Lawson with any questions regarding Cash Online: [plawson@rockyview.ab.ca](mailto:plawson@rockyview.ab.ca)

Enjoy the Holidays!
