

**Academic Course Acceleration Application Form**

In order to accelerate in an academic course sequence at a higher grade level, a student must have achieved 90% or higher in the prerequisite course, there must be a spot available in the requested class, the course must fit into their current timetable, and they must obtain a teacher recommendation. Grade 10 students may accelerate in one 20-level academic course. Grade 11 students may accelerate if that is supportive of their overall learning objectives. Students will not be placed in accelerated courses until the application process is complete. Consultations **MUST** take place with the grade level counsellor.  
**Marks alone do not guarantee a spot in the requested class.**

\*NOTE: If the class becomes full, accelerated students will be removed to accommodate the needs of the grade level appropriate learners.

Students interested in accelerating an academic course are invited to complete this application form and **submit it to the Mr. Hooper or Ms. Lebel** no later than **Wednesday, February 6<sup>th</sup>, 2024 at 1:00 pm**. Applications received after this deadline may not be considered.
