If you wish to discuss any part of your student's registration, please contact your student's Grade Administrator at Cochrane High School (403) 932-2542.

A more detailed description of each course can be found on our website under "Registration"

The fees are based on the 2022-23 school year and are subject to change. Courses may also have optional field trip/clothing fees.

Art 9 Students in Art 9 will participate in a variety of units such as: painting, sculpting, drawing, printmaking, and mixed media collage. Students will learn to organize and present their work in a portfolio format.	Fee: \$39.00
Band 9 The instrumental music program is a year-long course of study that provides the student with a comprehensive introduction to music performance. Along with performance skills, there is a component of music theory & history as it pertains to the performer.	Fee: \$65.00
Construction 9 This course provides students with an opportunity to develop skills in the areas of woodworking and graphics in preparation for high school CTS courses.	Fee: \$45.00
Creator Studio 9 Creator Studio is a program for Creators of all kinds. This program will afford students to explore Graphic Design, Web Design, Photography, Film Studies, and Broadcast Video. This exciting new opportunity utilizes industry-standard cameras and professional live broadcast equipment. Creator Studios is where creativity thrives!	Fee: \$65.00
Drama 9 Drama aims to develop the whole person by giving form and meaning to experience through "acting out". Drama fosters positive group interaction as students learn to work collaboratively in order to solve shared problems.	Fee: \$35.00
Foods 9 This is an introductory cooking class that covers the following topics: Food and Kitchen Safety, Metric and Measuring, Food Preparation, Time Management, Nutrition Awareness, Canada's Food Guide and Meal Planning.	Fee: \$50.00
French as a Second Language (FSL) 9 Basic skills in listening, speaking, reading, and writing will be developed throughout the course. Emphasis will be placed on oral skills and therefore participation is very important.	Fee: \$20.00
Leadership 9 Designed to develop leadership skills within all students. The goal is to enable students to be more confident in themselves and their abilities to become leaders in their school and community.	Fee: \$21.00
Mechanics 9 Students will be introduced to safety, mechanics tools and equipment and internal combustion engine fundamentals. In the fabrication module of the course students will learn how to use an electric welder, oxy-acetylene equipment, the lathe, sand casting furnace and the gas fired forge.	Fee: \$40.00
Mechatronics 9 This term course will concentrate on design thinking and basic technical design (2-D and 3-D rendering, 3-D printing), electrotech (circuitry and soldering) and computer sciences (basic coding and robotics). Students will use these skills to solve real-world problems that exist in the world around them as all the modules come together in a final project.	Fee: \$45.00
P3 Cochrane Hockey Academy (Payable to P3 Sports) For students with an aspiration for high intensity training towards their hockey career. This program has been developed as a user pay model and students wishing to participate will be required to pay a fee to enroll	Fee: TBD
Positive Psychology 9 This unique course will focus on the science of stress, test anxiety reduction and study skills techniques, social and emotional learning strategies, coping strategies, and regular heart-focused breathing sessions using HeartMath biofeedback sensors. Students will have access to the sensors each class and will learn how to use the breath to calm down and refocus, helping them to better manage stress and test anxiety.	Fee: \$10.00
Sports Performance 9 The goal of Sports Performance 9 is to give students the confidence, knowledge and skills to safely participate in introductory sports training in the weight room facility.	Fee: \$50.00
Wildlife 9 The Outdoor Education program is a student-centered program designed to enhance the participant's learning ability, self-confidence, and self-discipline. The student will learn to utilize the great outdoors as a classroom and incorporate many skills to live an active and healthy lifestyle.	Fee: \$15.00
Grade 9 - J Block Courses **	
Performance and Visual Arts - Choral 9	\$45.00
Grade 9 Platinum Band	\$65.00

** J-Block classes occur outside of the regular timetable. Classes will be held in the AM prior to school or PM after school. Please be advised that all option courses are subject to available space and sufficient enrollment for them to run.
