(Also need to consider access and information to provide to students new to Cochrane and new to RVS, like St. Tim's students)

-Yearbooks are available on SchoolCashOnline for \$40

-Coldest Night of the Year CHS raised \$3000

#### **b.) Staff- Tracy Lyons**

Lise Arsenault is back full-time and 2 new learning support staff have been hired.

#### **c.) CHS 4 Year Playbook Review with Council - Anne Kromm**

Anne presented the playbook to council and asked for feedback from council on: what resonated or what inspired us with the 4 year plan, and what plans might be tricky to implement. Also, how can parents play a more active role in the CHS community. If you have any additional feedback, please respond to Anne by Wednesday March 3, when it needs to be submitted to RVS.

#### **c.) Trustee- Fiona Gilbert**

-There will be a Joint Board/School Council Meeting March 25

-Budget Announcement from Feb 25th- it was announced that education funding levels would be maintained which is good news for RVS. The Province had previously

indicated that a weighted moving average of enrolment would be used to calculate funding going forward which would have negatively affected RVS because enrolment was down in 2020/21 school year due to Covid, in a school division that otherwise sees growth year over year. No details have been provided yet on funding breakdown, but expect end of March. Also, still waiting to hear how many modulars RVS will be allocated.

6.) Grad 2021- Tracy Lyons

Grad committee is finalizing theme, and planning for multiple scenarios for Grad week June 21-25 depending on covid restrictions. Grad clothing site is up, deadline to order March 14th.

7.) Meeting Adjourned: 8:08

**Next Meeting: Monday April 12 , 6:30pm**
